

Reese Golf Center

Online Booking Terms & Conditions

There are no twosomes allowed at Reese on Saturday and Sunday before 2:00pm. If you have two players please call the golf shop to speak with the staff so they can pair you up. Any online booking made for three or four players that shows up with less than that number in their party is liable to pay for the members of the party who no-show. Also, if a group is reduced to less than three players the group will have to wait to be paired up with another group and could lose the time that they had originally booked.

We appreciate your attention to these terms and conditions. The staff at Reese never wants to disrupt the customer experience at our facility, but due to high demand on weekends these measures have become a necessity to ensure that the operation runs as smoothly as possible.

Thank you
